Love Spell Mia Kerick 2015-04-21 Strutting his stuff on the catwalk in black patent leather pumps and a snug orange tuxedo as this year's Miss (ter) Harvest Moon feels so very right to Chance Cesar, and yet he knows it should feel so very wrong. As far back as he can remember, Chance has been "caught between genders." (It's quite a touchy subject; so don't ask him about it.) However, he does not question his sexual orientation. Chance has no doubt about his gayness—he is very much out of the closet at his rural New Hampshire high school, where the other students avoid the kid they refer to as "girl-boy." But at the local Harvest Moon Festival, when Chance, the Pumpkin Pageant Queen, meets Jasper Donahue, the Pumpkin Carving King, sparks fly. So Chance sets out, with the help of his BFF, Emily, to make "Jazz" Donahue his man. An article in an online women's magazine, *Ten Scientifically Proven Ways to Make a Man Fall in Love with You* (with a bonus love spell thrown in for good measure), becomes the basis of their strategy to capture Jazz's heart. Quirky, comical, definitely flamboyant, and with an inner core of poignancy, *Love Spell* celebrates the diversity of a gender-fluid teen."

Juniper Baker had just graduated from high school and was deep in the throes of a summer romance when Cal and Beth Murphy, a childless couple who lived on a neighboring farm, were brutally murdered. When her younger brother became the prime suspect, June's world collapsed and everything she loved that summer fell away. She left, promising never to return to tiny Jericho, Iowa. Until now. Officially, she's back in town to help an ill friend manage the local library. But really, she's returned to repair her relationship with her teenage daughter, who's been raised by Juniper's mother and stepfather since birth—and to solve the infamous Murphy murders once and for all. She knows the key to both lies in the darkest secret of that long-ago summer night, one that's haunted her for nearly fifteen years. As history begins to repeat itself and a dogged local true crime podcaster starts delving into the murders, the race to the truth puts past and present on a dangerous collision course. Juniper lands back in an all-too-familiar place with the answers to everything finally in her sights, but this time it's her daughter's life that hangs in the balance. Will revealing what really happened mean a fresh start? Or will the truth destroy everything Juniper loves for a second time? A chillingly charismatic aristocrat. And a brave socialite drawn to expose their treacherous secrets. . . . From the author of *Gods of Jade and Shadow* comes "a terrifying twist on classic gothic horror" (Kirkus Reviews) set in glamorous 1950s Mexico. After receiving a frantic letter from her newly-wed cousin begging for someone to save her from a mysterious doom, Noemí Taboada heads to High Place, a distant house in the Mexican countryside. She's not sure what she will find—her cousin's husband, a handsome Englishman, is a stranger, and Noemí knows little about the region. Noemí is also an unlikely rescuer: She's a glamorous debutante, and her chic gowns and perfect red lipstick are more suited for cocktail parties than amateur sleuthing. But she's also tough and smart, with an indomitable will, and she is not afraid: Not of her cousin's new husband, who is both menacing and alluring; not of his father, the ancient patriarch who seems to be fascinated by Noemí; and not even of the house itself, which begins to invade Noemí's dreams with visions of blood and doom. Her only ally in this inhospitable abode is the family's youngest son. Shy and gentle, he seems to want to help Noemí, but might also be hiding dark knowledge of his family's past. For there are many secrets behind the walls of High Place. The family's once colossal wealth and faded mining empire kept them from prying eyes, but as Noemí digs deeper she unearths stories of violence and madness. And Noemí, mesmerized by the terrifying yet seductive world of High Place, may soon find it impossible to ever leave this enigmatic house behind.
