**The Jerusalem Talmud** Jacob Neusner 2010-07-30 "The Jerusalem Talmud," or "Yerushalmi," or "Talmud of the Land of Israel," is a commentary on the oral law (the Mishnah) of Israel that ties that oral law to the written law (the Torah, the Hebrew Scripture). Completed about 200 years prior to "The Babylonian Talmud (Bavli)", it records the first such compilation of Jewish scholarly thought. Jacob Neusner completed this monumental American translation and commentary of "The Jerusalem Talmud" in the last decade, but until now it has been expensive and difficult to obtain. Now all thirty-nine Yerushalmi tractates as translated by Professor Neusner and Tzvee

Zahavy have been brought together in this CD-ROM. In addition to a preface and general introduction to the whole work, Professor Neusner has provided fresh and helpful introductions to each of the tractates. He has also provided within his translation the references to Bible verses alluded to in the "Yerushalmi." This electronic edition contains the full content of the translation, commentary on most of the tractates, and introductions to each. Enabling instantaneous searches by word or phrase, it has exceptional research capabilities--and opens swift avenues for exploration and discovery.

**Covering Islam** Edward W. Said 2015-08-19 In this classic work, now updated, the author of Culture and Imperialism reveals the hidden agendas and distortions of fact that underlie even the most "objective" coverage of the Islamic world. From the Iranian hostage crisis through the Gulf War and the bombing of the World Trade Center, the American news media have portrayed "Islam" as a monolithic entity, synonymous with terrorism and religious hysteria. At the same time, Islamic countries use "Islam" to justify unrepresentative and often repressive regimes. Combining political commentary with literary criticism, Covering Islam continues Edward Said's lifelong investigation of the ways in which language not only describes but also defines political reality.

**From Beirut to Jerusalem** Ang Swee Chai 2010-08-01 Sebagai seorang Kristen fundamentalis, dulu aku mendukung Israel. Pengalamanku di Sabra-Shatila menyadarkanku bahwa orang Palestina adalah manusia. Kebodohan dan prasangka telah membutakan mataku dari penderitaan bangsa Palestina. Buku ini adalah kesaksianku. Mulanya, karena latar belakang religinya, dr. Ang Swee Chai adalah pendukung Israel. Di matanya, orang Palestina adalah teroris. Namun, pada 1982, Israel menyerang Beirut dengan brutal. Keyakinannya pun mulai goyah. Ia putuskan untuk membuktikan sendiri dengan menjadi sukarelawan medis di Beirut. Di sana, di kamp pengungsian Palestina, setelah menjadi saksi Pembantaian Sabra-Shatila, akhirnya ia temukan jawaban. Ia berbalik memihak rakyat Palestina, memihak keadilan dan kemanusiaan. Di tanah asing, ia pertaruhkan nyawanya untuk membela orang-orang yang tak punya hubungan darah maupun etnis dengan dirinya, untuk melaksanakan kewajibannya sebagai dokter, sebagai manusia. ?Saya menangis ketika membaca buku ini untuk pertama kalinya. Ilmu kedokteran dan keterampilan sastra menjadikan kesaksian ini begitu mengiris.? ?Farid Gaban, Pena Indonesia ?Buku yang membuat orang AS marah karena kesaksiannya yang berani. Tidak lama kemudian, penerbitan buku ini dihentikan peredarannya di AS.? ?Media Indonesia ?Pembaca akan merasakan kepedihan dan pergolakan yang dialami dr. Ang Swee. Membaca buku ini berarti merasakan dari dekat pembantaian manusia.? ?Koran Tempo ?Buku yang ditulis secara detail dan menerobos relung jiwa.? ?Gatra ?Catatan yang amat personal tentang kehidupan di kamp pengungsian.? ?The Times ?Penggambaran dr. Ang dalam buku ini membuat peristiwa-peristiwa tersebut terasa seolah-olah baru terjadi kemarin.? ?The Independent ?Sebuah kesaksian tentang pembantaian manusia yang menukik hingga inti permasalahannya.? ?The Guardian Dr. Ang Swee Chai lahir di Malaysia dan dibesarkan di Singapura. Sejak 1977, bersama suaminya tinggal di Inggris. Kini, ia bekerja di St. Bartholomew's Hospital dan the Royal London Hospital sebagai orthopaedic consultant. Setelah terjadinya Pembantaian Sabra-Shatila, bersama beberapa rekannya, dr. Ang membentuk Medical Aid for Palestinians (MAP). Pada 1987, Pemimpin PLO, Yasser Arafat, menganugerahi dr. Ang Star of Palestine, penghargaan tertinggi bagi pengabdian kepada rakyat Palestina. Hingga kini, melalui MAP dr. Ang terus aktif membantu bangsa Palestina. **Love and Resistance in the Films of Mai Masri** Victoria Brittain 2020-02-14 This book covers Mai Masri's three decades documenting iconic moments of Palestinian and Lebanese linked history. Her films, unique for giving agency to her subjects, tell much about the untold, unseen people, namely women and children, who lived these experiences of war and occupation. Former Lebanese political prisoner Soha Bechara praised her feature film 3000 Nights as "the 'Lest we forget' of Palestine." Her focus on the social and political climates of the vivid lives of unseen people connects to the deepening violence in Palestine today.

**Al-Farabi** Osman Bakar 2018-12-13 Al-Fārābī who was conferred the distinguished title of al-Mu'allim al-thānī (The Second Teacher), is here sympathetically portrayed as a deeply religious man—a true Muslim—whose life and thought was essentially shaped and influenced by Islamic teachings contained in the Qur'an and the Sunnah of the Prophet. It was on the basis of the Qur'an and Hadīths that al-Fārābī sought to formulate an intellectual response to Greek thought. His Islamization of Greek science and philosophy should be of considerable interest to Muslim scholars today when the Muslim ummah is confronted with perhaps the most serious intellectual challenge in its history.

**Philosophical Perspectives on the Israeli-Palestinian Conflict** Tomis Kapitan 2015-06-11 This volume addresses a number of philosophical problems that arise in consideration of the century-old conflict between Israeli Jews and Palestinian Arabs. Consisting of essays by fifteen contributors (including both Israeli and Palestinian philosophers) and a lengthy introduction by the editor, it deals with rights to land, sovereignty, self-determination, the existence and legitimacy of states, cultural prejudice, national identity, intercommunal violence, and religious intransigence.

**Heroes and Martyrs of Palestine** Laleh Khalili 2007-03-29 Many decades have passed since the Palestinian national movement began its political and military struggle. In that time, poignant memorials at massacre sites, a palimpsest of posters of young heroes and martyrs, sorrowful reminiscences about lost loved ones, and wistful images of young men and women who fought as guerrillas, have all flourished in Palestinian refugee camps in Lebanon and in the Occupied Palestinian Territories. *Heroes and Martyrs of Palestine* tells the story of how dispossessed Palestinians

have commemorated their past, and how through their dynamic everyday narrations, their nation has been made even without the institutional memory-making of a state. Bringing ethnography to political science, Khalili invites us to see Palestinian nationalism in its proper international context and traces its affinities with Third Worldist movements of its time, while tapping a rich and oft-ignored seam of Palestinian voices, histories, and memories.

Yazīd Ṣāyigh 1997-12-11 This masterly new work spans an entire epoch in the history of the contemporary Palestinian national movement, from the establishment of Israel in mandate Palestine in 1948, to the PLO-Israel accord of 1993. Contrary to the conventional view that national liberation movements proceed with state-building only after attaining independence, the case of the PLO shows that state-building ~~can~~ shape political institutionalization throughout the previous struggle, even in the absence of an autonomous territorial, economic, and social base. That is the central argument of this insightful study, which traces the political, ideological, and organizational evolution of the PLO and its constituent guerrilla groups. Taking the much-vaunted 'armed struggle' as its connecting theme, it shows how conflict was used to mobilize the mass constituency, assert particular discourses of revolution and nationalism, construct statist institutions, and establish the legitimacy of a new political class and bureaucratic elite. The book draws extensively on PLO archives, official publications and internal documents of the various guerilla groups, and over 400 interviews conducted by the author with the PLO rank-and-file. Its span, primary sources, and conceptual framework make this the definitive work on the subject.

**Life Full of Reading** Syed Ahmad Fathi bin Syed Mohd Khair 2020-06-05 A quiet afternoon, a cozy chair, a warm cup of coffee, and a good book—these are the perfect description of moments that should be cherished in this short life. Carl Sagan once said that reading is magical, that it enables humans from different epoch to talk to each other; it is more than that. Reading is a gateway to imagination, a world without limit, a safe space to escape from enduring reality. Sometimes it is a space where you socialize without having to meet people. This book is a compilation of book reviews written over the years. The book was broken into two parts, the first part is the long reviews, the second part is the short reviews, which covered a wide range of genre from economics, self-help, novels, comic book to political philosophy and parenting.
