The Genetic Lottery Kathryn Paige Harden 2021-09-21 A provocative and timely case for how the science of genetics can help create a more just and equal society In recent years, scientists like Kathryn Paige Harden have shown that DNA makes us different, in our personalities and in our health--and in ways that matter for educational and economic success in our current society. In The Genetic Lottery, Harden introduces readers to the latest genetic science, dismantling dangerous ideas about racial superiority and challenging us to grapple with what equality really means in a world where people are born different. Weaving together personal stories with scientific evidence, Harden shows why our refusal to recognize the power of DNA perpetuates the myth of meritocracy, and argues that we must acknowledge the role of genetic luck if we are

ever to create a fair society. Reclaiming genetic science from the legacy of eugenics, this groundbreaking book offers a bold new vision of society where everyone thrives, regardless of how one fares in the genetic lottery.

Lost & Found Kathryn Schulz 2022-01-11 NATIONAL BESTSELLER • NEW YORK TIMES EDITORS'

CHOICE • An enduring account of joy and sorrow from one of the great writers of our time, *The New Yorker's* Kathryn Schulz, winner of the Pulitzer Prize "I will stake my reputation on you being blown away by *Lost & Found*. It is brilliant and profound and charming, all at once."—Anne Lamott, author of *Dusk, Night, Dawn* and *Bird by Bird* ONE OF THE MOST ANTICIPATED BOOKS OF 2022—Oprah Daily, *The Washington Post*, *Vogue*, *Los Angeles Times*, *The Philadelphia Inquirer*, *BuzzFeed*, *Esquire*, *Chicago Review of Books*, *Town & Country*, *Electric Lit*, *The Millions*, *Lambda Literary*, *The Rumpus*, *Lit Hub*, *The Week*, *Kirkus Reviews* Eighteen months before Kathryn Schulz's beloved father died, she met the woman she would marry. In *Lost & Found*, she weaves the stories of those relationships into a brilliant exploration of how all our lives are shaped by loss and discovery—from the maddening disappearance of everyday objects to the sweeping devastations of war, pandemic, and natural disaster; from finding new planets to falling in love. Three very different American families form the heart of *Lost & Found*: the one that made Schulz's father, a charming, brilliant, absentminded Jewish refugee; the one that made her partner, an equally brilliant farmer's daughter and devout Christian; and the one she herself makes through marriage. But Schulz is also attentive to other, more universal kinds of conjunction: how private happiness can coexist with global catastrophe, how we get irritated with those we adore, how love and loss are themselves unavoidably inseparable. The resulting book is part memoir, part guidebook to living in a world that is simultaneously full of wonder and joy and wretchedness and suffering—a world that always demands both our gratitude and our grief. A staff writer at *The New Yorker* and winner of the Pulitzer Prize, Kathryn Schulz writes with curiosity, tenderness, erudition, and wit about our finite yet infinitely complicated lives. Crafted with the emotional clarity of C. S. Lewis and the intellectual force of Susan Sontag, *Lost & Found* is an uncommon book about common experiences.

Pre-Incident Indicators of Terrorist Incidents Brent L. Smith 2011-01 This is a print on demand edition of a hard to find publication. Explores whether sufficient data exists to examine the temporal and spatial relationships that existed in terrorist group planning, and if so, could patterns of preparatory conduct be identified? About one-half of the terrorists resided, planned, and prepared for terrorism relatively close to their eventual target. The terrorist groups existed for 1,205 days from the first planning meeting to the date of the actual/planned terrorist incident. The planning process for specific acts began 2-3 months prior to the terrorist

incident. This study examined selected terrorist groups/incidents in the U.S. from 1980-2002. It provides for the potential to identify patterns of conduct that might lead to intervention prior to the commission of the actual terrorist incidents. Illustrations.

Tomorrow Sex Will Be Good Again Katherine Angel 2021-03-02 A provocative, elegantly written analysis of female desire, consent, and sexuality in the age of MeToo Women are in a bind. In the name of consent and empowerment, they must proclaim their desires clearly and confidently. Yet sex researchers suggest that women's desire is often slow to emerge. And men are keen to insist that they know what women—and their

bodies—want. Meanwhile, sexual violence abounds. How can women, in this environment, possibly know what they want? And why do we expect them to? In this elegant, searching book—spanning science and popular culture; pornography and literature; debates on Me-Too, consent and feminism—Katherine Angel challenges our assumptions about women’s desire. Why, she asks, should they be expected to know their desires? And how do we take sexual violence seriously, when not knowing what we want is key to both eroticism and personhood? In today’s crucial moment of renewed attention to violence and power, Angel urges that we remake our thinking about sex, pleasure, and autonomy without any illusions about perfect self-knowledge. Only then will we fulfil Michel Foucault’s teasing promise, in 1976, that “tomorrow sex will be good again.”

A Warrior's Prayerbook for Spiritual Warfare Kathryn McBride 2014-04-24 INCLUDED ARE PRAYERS BY: Dr. Mark I. Bubeck, Dr. Neil T. Anderson, Brother Andrew, Nancy Leigh Demoss, Dr. Fred C. Dickason, Rev. Paul Estabrooks, Dr. Erwin W. Lutzer, Stormie Omartian, Dr. Ray Pritchard, Dr. Marcus Warner, and others. Newly updated to include an “Introduction to Spiritual Warfare” by Dr. Marcus Warner. The Bible is clear – from the moment we draw our first breath, WE ARE AT WAR. Satan hates us and wants to destroy us – because the Lord loves us. A supernatural battle is waging all around us and if you are not a warrior, you will be a casualty. Christians must face this battle head-on by learning to put on the full armor of God every day. If we are not equipped properly, we will wonder why we live such defeated lives. Satan is alive and well and "prowling around like a lion seeking whom he can devour." We must use the weapons that God has provided for us to do battle for ourselves and for those that we love. A Warrior’s Prayerbook is a clear and concise resource designed to help you put on the full armor of God. This book is filled with doctrinally sound prayers, written by great men and women of faith, past and present, that will help you be a fearsome prayer warrior in your spiritual battle. ENDORSEMENTS A Warrior's Prayerbook will be a great help to many and a service to the Body of Christ. Many will have never seen anything like these prayers. They should not only be a help to those who use them but also a wake-up call and challenge to many who never thought of warfare and practical praying against evil. Kathryn has done a great work in compiling, organizing, presenting, and publishing this book. Good art work. Great need. Great taste. DR. C. FRED DICKASON Author and Fmr. Systematic Theology Chair – Moody Bible Institute, Chicago “The Christian life is not a playground; it is a battleground.” Warren Wiersbe We’re in a battle every day. If we take seriously Paul’s call to “Put on the whole armor of God” (Ephesians 6:11), then we know that we need to pray. But how should we pray when we go into battle? My friend Kathryn McBride has helped us hugely by compiling A Warrior’s Prayerbook for Spiritual Warfare. The first part of the book contains prayers from esteemed Christian leaders like Erwin Lutzer, Mark Bubeck, Fred Dickason, and Brother Andrew, arranged in categories such as “Affirm,” “Resist,”

“Renounce,” and “Prayers for Others.” The book also includes the full text of many Scriptures on spiritual warfare along with very helpful quotes from noted Christian leaders. This is the most comprehensive guide to spiritual warfare praying that I have seen. We need a book like this so that when the enemy surrounds us, we will know how to get in contact with the Captain of our Salvation. Read it and you will be better prepared to stand strong when the devil attacks you and your family. DR. RAY PRITCHARD Speaker, Pastor, Author www.keepbelieving.com

I Love Dick Chris Kraus 2016-07-22 A self-described failed filmmaker falls obsessively in love with her theorist-husband's colleague: a manifesto for a new kind of feminism and the power of first-person narration. In *I Love Dick*, published in 1997, Chris Kraus, author of *Aliens & Anorexia*, *Torpor*, and *Video Green*, boldly tore away the veil that separates fiction from reality and privacy from self-expression. It's no wonder that *I Love Dick* instantly elicited violent controversies and attracted a host of passionate admirers. The story is gripping enough: in 1994 a married, failed independent filmmaker, turning forty, falls in love with a well-known theorist and endeavors to seduce him with the help of her husband. But when the theorist refuses to answer her letters, the husband and wife continue the correspondence for each other instead, imagining the fling the wife wishes to have with Dick. What follows is a breathless pursuit that takes the woman across America and away from her husband and far beyond her original infatuation into a discovery of the transformative power of first person narrative. *I Love Dick* is a manifesto for a new kind of feminist who isn't afraid to burn through her own narcissism in order to assume responsibility for herself and for all the injustice in world and it's a book you won't put down until the author's final, heroic acts of self-revelation and transformation.

An American Summer Alex Kotlowitz 2019-03-05 2020 J. ANTHONY LUKAS PRIZE WINNER From the bestselling author of *There Are No Children Here*, a richly textured, heartrending portrait of love and death in Chicago's most turbulent neighborhoods. The numbers are staggering: over the past twenty years in Chicago,

14,033 people have been killed and another roughly 60,000 wounded by gunfire. What does that do to the spirit of individuals and community? Drawing on his decades of experience, Alex Kotlowitz set out to chronicle one summer in the city, writing about individuals who have emerged from the violence and whose stories capture the capacity--and the breaking point--of the human heart and soul. The result is a spellbinding collection of deeply intimate profiles that upend what we think we know about gun violence in America. Among others, we meet a man who as a teenager killed a rival gang member and twenty years later is still trying to come to terms with what he's done; a devoted school social worker struggling with her favorite student, who refuses to give evidence in the shooting death of his best friend; the witness to a wrongful police shooting who can't shake what he has seen; and an aging former gang leader who builds a place of refuge for himself and his friends. Applying the close-up, empathic reporting that made *There Are No Children Here* a modern classic, Kotlowitz offers a piercingly honest portrait of a city in turmoil. These sketches of those left standing will get into your bones. This one summer will stay with you.

Claire and Her Sister Kathryn M. Burke 2017-02-14 When historian Patrick Muldoon stops by the small Pennsylvania town of Dunsmuir on his way to Washington, D.C., he has no idea he would be utterly smitten with a young owner of a pet store, Claire Monahan. Patrick decides to relocate to Dunsmuir, and along the way he meets Claire's older sister Sophie, a timid creature who seems to have suffered some unspecified trauma as a teenager. As Patrick further explores the bodies and psyches of Claire and her sister--as well as of their mother, Margaret--he learns of the tragedies that have marred all three lives, and he does his best to help them. This moving novel of love and intimacy shows how an unorthodox relationship between a man and three women can seem natural and inevitable--if it is founded on love, sensitivity, and respect.

So Sad Today Melissa Broder 2016-03-15 From acclaimed poet and creator of the popular twitter account @SoSadToday comes the darkly funny and brutally honest collection of essays that Roxane Gay called "sad and uncomfortable and their own kind of gorgeous." Melissa Broder always struggled with anxiety. In the fall of 2012, she went through a harrowing cycle of panic attacks and dread that wouldn't abate for months. So she began @sosadtoday, an anonymous Twitter feed that allowed her to express her darkest feelings, and which quickly gained a dedicated following. In *So Sad Today*, Broder delves deeper into the existential themes she explores on Twitter, grappling with sex, death, love low self-esteem, addiction, and the drama of waiting for the universe to text you back. With insights as sharp as her humor, Broder explores--in prose that is both ballsy and beautiful, aggressively colloquial and achingly poetic--questions most of us are afraid to even acknowledge, let alone answer, in order to discover what it really means to be a person in this modern world.

Letters Written in White Kathryn Perez 2015-11-24 I'm dead. I'm cold and alone and I'm dead. There's no air in my lungs. My chest is as cold and hollow as a cave on a snow-capped mountainside. My heart no longer beats there. Frigid winds whistle through my ribs and the sadness inside me weeps like my favorite tree. Days ago, I met with death face to face. The mirror, our meeting place. My two darkened green eyes stared deeply into hers. I tilted my head to the side. She did too. "It's time," I whispered. "It's time," she whispered. And with that I turned away from her, the woman in the mirror who knew all of my secrets and all of my pain. I walked away from her and yet we'd never been closer than we were at that moment. The inner struggle was over. No more arguing with the woman in the mirror. No more arguing with myself. The choice was made. She was the victor. Or was I? That was the day Riah Winter died.
