**Trillion** Winter Renshaw 2020-08-17 Trey Westcott-devastatingly gorgeous. Intimidatingly brilliant. Powerful beyond belief.A man with all the money in the world-literally.As the first trillionaire in existence, my boss lives a life most people can only dream of. Anything he wants-anything at all-is a snap-of-the-fingers away. But when the coldhearted magnate snaps his fingers and requests me for a stint on his arm playing the role of his devoted fiancée and then some, he makes an offer I can't refuse. And so I don't. But I make it clear that he'll have my time, my body, my attention, my discreet professionalism-everything except my heart.It's not for sale. Because all the money in the world can't change the secret I've kept the last eight years. A secret that complicates the very business deal I'm to help him secure. A secret that makes the undeniable tension between us all the more forbidden.Trey Westcott can have anything he wants ... but he can never have me. Even if he's all I've ever wanted.
