**The Boat of a Million Years** Poul Anderson 2018-09-18 A New York Times Notable Book and Hugo and Nebula Award Finalist: This epic chronicle of ten immortals over the course of history “succeeds admirably” (The New York Times). The immortals are ten individuals born in antiquity from various cultures. Immune to disease, able to heal themselves from injuries, they will never die of old age—although they can fall victim to catastrophic wounds. They have walked among mortals for millennia, traveling across the world, trying to understand their special gifts while searching for one another in the hope of finding some meaning in a life that may go on forever. Following their individual stories over the course of human history and beyond into a richly imagined future, “one of science fiction’s most revered writers” (USA

Today) weaves a broad tapestry that is “ambitious in scope, meticulous in detail, polished in style” (Library Journal).

**Gladiators** Roger Dunkle  
2013-09-13 The games comprised gladiatorial fights, staged animal hunts (venationes) and the executions of convicted criminals and prisoners of war. Besides entertaining the crowd, the games delivered a powerful message of Roman power: as a reminder of the wars in which Rome had acquired its empire, the distant regions of its far-flung empire (from where they had obtained wild beasts for the venatio), and the inevitability of Roman justice for criminals and those foreigners who had dared to challenge the empire's authority. Though we might see these games as bloodthirsty, cruel and reprehensible condemning any alien culture out of hand for a sport that offends our sensibilities smacks of cultural chauvinism. Instead one should judge an ancient sport by the standards of its

contemporary cultural context. This book offers a fascinating, and fair historical appraisal of gladiatorial combat, which will bring the games alive to the reader and help them see them through the eyes of the ancient Romans. It will answer questions about gladiatorial combat such as: What were its origins? Why did it disappear? Who were gladiators? How did they become gladiators? What was their training like? How did the Romans view gladiators? How were gladiator shows produced and advertised? What were the different styles of gladiatorial fighting? Did gladiator matches have referees? Did every match end in the death of at least one gladiator? Were gladiator games mere entertainment or did they play a larger role in Roman society? What was their political significance?

In the Coils of the Snake Clare B. Dunkle 2006-12-26 "What is the spell for?" Miranda asked curiously, stepping close beside him to squeeze through the first ring of trees. She didn't know of any goblin spells that used flowers unless they were crushed like herbs. "Do you really want to know?" murmured the elf absently, looking up at the dark crowns of the ancient oaks. "Yes," she said. She had always liked magic. He glanced back down at her then. "It's for you," he said. And the instant they passed the great trunks, his hand closed over her wrist. The powerful final volume of the Hollow Kingdom Trilogy Miranda has waited her whole life to come home to the goblin kingdom, but she never imagined she'd feel so alone there. Her beloved Marak, the center of her world since childhood, has reached the end of his reign. But Marak didn't

raise a coward. Miranda needs all her courage when a mysterious elf lord takes her prisoner, reigniting an age-old battle. Caught between two hostile races, she becomes their greatest reason for war—and their only hope for a future. In this final volume of the Hollow Kingdom Trilogy, Clare B. Dunkle draws readers deep into her magical realm for one last incredible story. The House of Dead Maids Clare B. Dunkle 2010-09-14 Young Tabby Aykroyd has been brought to the dusty mansion of Seldom House to be nursemaid to a foundling boy. He is a savage little creature, but the Yorkshire moors harbor far worse, as Tabby soon discovers. Why do scores of dead maids and masters haunt Seldom House with a jealous devotion that extends beyond the grave? As Tabby struggles to escape the evil forces rising out of the land, she watches her young charge choose a different path. ### **Hope and Other Luxuries**

Clare B. Dunkle 2015-05-19

Clare Dunkle seemed to have an ideal life—two beautiful, high-achieving teenage daughters, a loving husband, and a satisfying and successful career as a children's book novelist. But it's when you let down your guard that the ax falls. Just after one daughter successfully conquered her depression, another daughter developed a life-threatening eating disorder. Co-published with *Elena Vanishing*, the memoir of her daughter, this is the story—told in brave, beautifully written, and unflinchingly honest prose—of one family's fight against a deadly disease, from an often ignored but important perspective: the mother of the anorexic.

Dunkle 2010-12-21 Martin lives in a perfect world. Every year a new generation of genetically-engineered children is shipped out to meet their parents. Every spring the residents of his town

take down the snow they've stuck to their windows and put up flowers. Every morning his family gathers around their television and votes, like everyone else, for whatever matter of national importance the president has on the table. Today, it is the color of his drapes. It's business as usual under the protective dome of suburb HM1. And it's all about to come crashing down. Because a stranger has come to take away all the little children, including Martin's sister, Cassie, and no one wants to talk about where she has gone. The way Martin sees it, he has a choice. He can remain in the dubious safety of HM1, with danger that no one wants to talk about lurking just beneath the surface, or he can actually break out of the suburb, into the mysterious land outside, rumored to be nothing but blowing sand for miles upon miles. Acclaimed author Clare B. Dunkle has crafted a fresh and fast-paced science-fiction thriller, one that challenges her characters -- and her readers -- to look closer

Dray 2018-04-03 USA Today Bestseller "An edge-of my seat immersion into historical events...No study of Alexander Hamilton would be complete without reading this book." —Karen White, New York Times bestselling author "The best book of the year!" —Kate Quinn, New York Times bestselling author of The Alice

Network Wife, Widow, and Warrior in Alexander Hamilton's quest for a more perfect union From the New York Times bestselling authors of America's First Daughter comes the epic story of Eliza Schuyler Hamilton—a revolutionary woman who, like her new nation, struggled to define herself in the wake of war, betrayal, and tragedy. Perfect for fans of Ron Chernow's biography Alexander Hamilton and fans of Lin-Manuel Miranda's Hamilton: the Musical. In this haunting, moving, and beautifully written novel, Dray and Kamoie used thousands of letters and original sources to tell Eliza's story as it's never been told before—not just as the wronged wife at the center of a political sex scandal—but also as a founding mother who shaped an American legacy in her own right. A general's daughter... Coming of age on the perilous frontier of revolutionary New York, Elizabeth Schuyler champions the fight for independence. And when she meets Alexander Hamilton,

Washington's penniless but passionate aide-de-camp, she's captivated by the young officer's charisma and brilliance. They fall in love, despite Hamilton's bastard birth and the uncertainties of war. A founding father's wife... But the union they create—in their marriage and the new nation—is far from perfect. From glittering inaugural balls to bloody street riots, the Hamiltons are at the center of it all—including the political treachery of America's first sex scandal, which forces Eliza to struggle through heartbreak and betrayal to find forgiveness. The last surviving light of the Revolution... When a duel destroys Eliza's hard-won peace, the grieving widow fights her husband's enemies to preserve Alexander's legacy. But long-buried secrets threaten everything Eliza believes about her marriage and her own legacy. Questioning her tireless devotion to the man and country that have broken her heart, she's left with one last battle—to understand the

flawed man she married and imperfect union he could never have created without her...

**Saving Zasha** Randi Barrow 2013-01-01 In post-WWII Russia, one boy dares to save an entire race of outlawed dogs -- the German shepherd! World War II has just ended when thirteen-year-old Mikhail finds a dying man and his German shepherd, Zasha, in the woods. It's dangerous -- some say traitorous -- to own a German dog after Germany attacked Russia, so Mikhail must keep Zasha a secret to keep her alive. But Mikhail's rival, Katia, is determined to find the dog she is sure he's hiding. At the same time, a soldier named Dimitri is breeding a new Russian dog at a nearby farm. So many dogs were lost in combat, to starvation, and in the slaughter of German dogs

that the country is in dire need of every kind of dog. Dimitri, too, has suspicions of Zasha's existence, and would like nothing more than to add her to his breeding program. He'll have to compete with the armed dog thieves who are also on her trail. Mikhail's inspiring journey to save his best friend, the last German shepherd in Russia, forces him to face some of life's hardest lessons about war, hate, forgiveness, hope, love, and man's best friend. *Bear's First Christmas* Robert Kinerk 2010-11-16 In the dark of winter, deep in the woods, a lone bear is awakened from his winter sleep by a soft and mysterious sound. 2014-11-04 In a world where two nations rule all, Rob must find a way to live among them both in this futuristic story from the author of the Tripods series. In the future, the world has been divided into two societies. One is the Conurb—a sprawling, modern city where technology rules and people live with only the bare minimum they need to survive. The other is the County—a land of green fields

and beautiful mansions, where the people have turned back the clock to a pristine past. Rob has always lived in the Conurb, but after he is sent to a terrible boarding school, he decides his only option is to take a chance and cross the Barrier into the unknown world of the County. There he meets another boy who introduces Rob to the very different society, and all the wondrous things that come with it. But even though Rob wants to believe that the County is a utopia, he begins to learn about the darkness that lurks beneath the smiles of his new family and friends. And when sinister secrets are revealed, Rob is forced to make a choice: stay in the County, where everything is a perfect lie, or return to the Conurb, where life is hard, horrible, and real.

*Discourses and Identities in Contexts of Educational Change* presents the work of fourteen scholars concerning the United States and Mexico. The authors explore current and changing educational contexts through the relationship between discourses and identities. These are contexts in which the participants must negotiate multiple, and sometimes conflicting, positions. The empirical studies reported here are grounded in contemporary theories of sociolinguistics and literacy practices, social relations conceptualized in dynamics of power, and identity representations. The book uniquely contributes to the challenges facing different educational communities in specific contexts by using discourse and identity as the conceptual tools to analyze the problematic and often unclear

relationship among diverse educational actors immersed in contexts of change at the local, national, and global levels.

### **What We Found in the Sofa**

### **and How It Saved the World**

Henry Clark 2013-07-02 The adventure of a lifetime begins between two sofa cushions.... When River, Freak, and Fiona discover a mysterious sofa sitting at their bus stop, their search for loose change produces a rare zucchini-colored crayon. Little do they know this peculiar treasure is about to launch them into the middle of a plot to conquer the world! The kids' only hope is to trap the plot's mastermind when he comes to steal the crayon. But how can three kids from the middle of nowhere stop an evil billionaire? With the help of an eccentric neighbor, an artificially intelligent domino, a DNA-analyzing tray, two hot air balloons, and a cat named Mucus, they just might be able to save the planet. This clever comic adventure from debut author Henry Clark is a truly original and utterly wacky story about the importance of intelligence and curiosity in a complacent world.
